Deadly nicotine, kills what might have been.

Millions of our years in minutes disappears.
Darkening in vain. Decadence remains.

Additional Lyrics

2. Birth of terror. Death of much more. I'm the slave of fear, my captor.
Never warnings, spreading its wings as I wait for the horror she brings.
Loss of interest, question, wonder.
Waves of fear, they pull me under. *(To Chorus)*

3. Into ruin I am sinking. Hostage of this nameless feeling.
Hell is set free, flooded I'll be, feel the undertow inside me.
Height, hell, time, haste, terror, tension.
Life, death, want, waste, mass depression. *(To Chorus)*

Additional Lyrics

2. Dear Mother, dear Father. Time has frozen still what's left to be.
Hear nothing, say nothing. Cannot face the fact I think for me.
No guarantee, it's life as is.
But damn you for not giving me my chance.
Dear Mother, dear Father. You clipped my wings before I learned to fly.
Unspoiled, unspoken. I've outgrown that fucking lullaby.
Same thing I've always heard from you.
Do as I say not as I do. *(To Chorus)*

3. Dear Mother, dear Father. Hidden in your world you've made for me.
I'm seething, I'm bleeding. Ripping wounds in me that never heal.
Undying spite I feel for you.
Living out this hell you always knew.
